Questions about Ohio's High School Graduation Requirements?

With all of the questions about the new graduation requirements for high school students graduating 2023 and beyond, SST1 is offering three professional learning opportunities throughout the 2022-2023 school year.

Audience – Educators, community partners, parent and/or parent representatives who support and/or help inform graduation policies and practices in their organization

Presenter(s) – Aaron Weisbrod, M.Ed. and Lisa Hite, M.Ed. – SST Consultants

Graduation Boot Camp (Two Part Series)

Time – 8:30 – 3:30	**Contact Hours** – 12 Total *(you must attend both sessions to receive credit)*

Graduation Boot Camp is a two-day, two-part PD designed to strengthen the knowledge base and implementation strategies and effectiveness of graduation policies, procedures, and practices for Ohio's new graduation requirements for the class of 2023 and beyond.

Day One content will include an overview of the New Graduation Requirements/Pathways, resources and strategies for writing and implementing Graduation Plans, an overview of Ohio's Career Advising Policy requirements, and how to use the Career Connections Framework.

Day Two content will focus on learning about Industry Recognized Credentials (part of the "Option One" pathway for graduation), implementing Work Based Learning opportunities, and how to align Career Tech Pathway Considerations to Purpose-Driven Education. Day One and Two are spread several months apart to allow time for consideration and planning of short-term and long-term implementation strategies and action.
